Pre-shoot price list and display options

Session fee: £195

Viewing and ordering:

Within 24-48 hours a small selection of images will be featured on our blog. We will then contact you to schedule a convenient time for your viewing session at our studio. At the viewing you will see all of the images from your session and be shown all of the display options. We can discuss the areas used for photography, the poses and look of the images created. At the end of your viewing session we will also collect any order and your payment.

Glass framed prints and P&P:

Framed prints contain delicate glass so we ask that they be collected from our studio. All other products can be sent to your home address, so please remember to add P&P if not collecting them from our studio.

Signing Book £195 (P&P £9.99)

Our popular A4 signing book will hold up to 30 images from your pre-shoot with corresponding blank pages providing your guests with the perfect opportunity to leave you a personal message on your wedding day. With it's luxury hard back cover and lay-flat pages, this signing book is the perfect way to remember your last few days as boyfriend and girlfriend, and your first day as husband and wife!

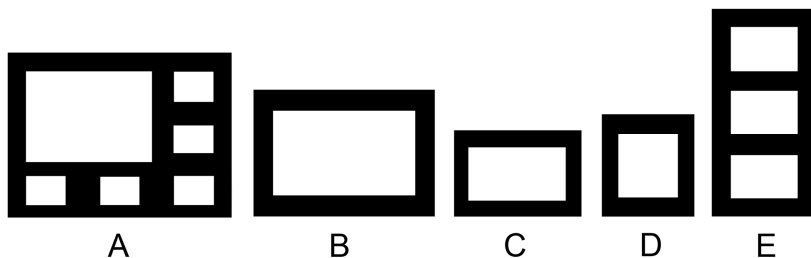

Signing Board £195 (Client collection only.)

A 30 x 20 inch large frame with a single 12 x 8 (or 10 x 8) inch print from your pre-shoot in the middle of a very large matted area. Perfect for your guests to write personal comments to you both on your wedding day. Many couples end up replacing the pre-shoot photo with one from their big day, before hanging the signing board on the wall at home. A large choice of frame styles and colours is available.

Luxury framed prints (Client collection only.)

We can supply five different framed print options with a variety of frame colours available for that 'ready to hang' option. Our frames are hand made to order and are supplied with a full fitting kit. All sizes are in inches. Please see website for fame colour options.
