

Reasons why families choose Nic

- * An award-winning, professional and experienced family portrait photographer.
- * Specialised location-based service with unique continuous lighting system for newborns and babies that avoids harsh studio flashes.
- * Natural and relaxed photography in familiar surroundings that captures real personalities and unique characters.
- * Popular 'Bump to Baby' package for expecting parents.
- * A specialist photographer with newborns, babies, children, families and couples.
- * No time or photograph limits, with sessions available seven days a week.
- * No 'hard selling' before, during or after your session.
- * Complimentary viewing session at our studio, and then a digital slide-show of all your images available from our website for family and friends.
- * Full range of contemporary display options that create stunning large format 'furniture' for your walls.

Location-based portrait services

- * Award-winning location-based portrait photography from one of the UK's leading contemporary portrait photographers.
- * Location-based sessions available seven days a week with no time or photograph limits.
- * 'Bump to Baby' sessions, Newborns and young children photographed in familiar home surroundings, with older children and families photographed outside at their favourite location on the beach or at the park etc.
- * Contemporary large format image display options that create 'furniture' for your walls.
- * Luxury canvas and block mount prints.
- * Extensive range of traditional framed prints.
- * Unframed prints in a variety of sizes with popular money saving 'print packs' available.
- * Popular 'Bump to Baby' package to capture those precious memories of being pregnant and the first year of your new baby.
- * Popular location-based Engagement portrait session provides couples with a 'dry run' of the photography part of their big day.
